

## Egyptian Company with Optical Modules

### Overview

In 1982, the National Service Products Organization (NSPO) and Thales formed a joint venture called Arab International Optronics (AIO). Al Yosser Optical Egy is a leading Egyptian company specializing in the design, manufacturing, and distribution of high-quality optical products and comprehensive vision care solutions. Since our establishment in 2004, we have been committed to advancing the optical industry through innovation. BRILLIANT ONE 1. Their commitment to excellence ensures that every frame is meticulously inspected, highlighting their focus on product quality. Since the 1960s, Scope Optics has been pioneering optical lens technology in Egypt and the Middle East — delivering international quality standards with German precision and Japanese innovation. The joint venture agreement was signed by Gen. Tarek Saad Zaghloul Chairman of Arab International Optronics and Pascale. Chairman of the Arab International Optronics Eng Tarek Saad Zaghloul, has emphasised the company's vital role in supporting Egypt's Vision 2030.
