

## Nordic European Standard Electrical Box Manufacturer

### Overview

Come work with us! Nordic Fiberglass manufactures box pads for pad mount transformers, switchgear, and other pad mount equipment, sectionalizing cabinets, secondary pedestals, ground sleeves, hand holes and hill holders. Ever since Erik Løgstrup founded Elsteel, we've been innovating and developing modular solutions that lead the market. Our mission to manufacture 100% sustainable products that power the. Bernic is a Danish company with more than 40 years in the industry. Our enclosures are designed and produced in our facilities in Denmark, and therefore we can supply EUR1 certificate covering all goods and have full control over the supply chain. We offer products from several well-known suppliers. With over 130 years of innovation, the company employs approximately 105,000 people across more than 100 countries.
